

# SOMEPLACE ELSE (George Harrison)

| A | C# D | Amaj7 Ddim | A |

**Amaj7 A**  
You got into my life  
**C#7 D**  
I don't know how you found me  
**Amaj7 Ddim**  
but you did, it stopped me heading  
**A**  
someplace else

**Amaj7 A**  
Took me a while to say  
**C#7 D**  
wish you belong to me  
**Amaj7**  
but now I'm saddened  
**Ddim**  
like I've never been  
**Dm Dm/F**  
regretting that we'll leave

**E A**  
And for a while  
**E**  
you could comfort me  
**C#7 F#m**  
and hold me for some time  
**B7 %**  
I need you now to be beside me  
**Bbmaj7 E**  
while all my world is so untidy

**Amaj7 A**  
Loneliness  
**C#7 D**  
empty faces  
**Amaj7 Ddim**  
wish I could leave them all

**A**  
in someplace else  
| **Amaj7 Ddim | A |**  
**Amaj7 A**  
I hope you won't let go  
**C#7 D**  
maybe you'll let me know  
**Amaj7**  
that you'll be saddened  
**Ddim**  
like you've never been  
**Dm Dm/F**  
regretting that we'll leave

**E A**  
And for a while  
**E**  
I could comfort you  
**C#7 F#m**  
and hold you in my mind  
**B7 %**  
I need you now to be beside me  
**Bbmaj7 E**  
while all my world is sad and crazy

Chorus  
| A | C# D | | **Amaj7 Ddim | Dm**  
**Dm/F** | bridge 1 - Chorus  
I think I'm gonna leave them all  
In someplace else
