

WISH YOU WERE HERE (Bee Gees)

G
You're living your life
Em Bm7 Am7
In somebody else's heart
G
My love is as strong
Em Bm7
As oceans are far apart
E Am7 D
A summer song, keeps playing in my
brain
G Em
And I feel you, and I see your face again
C
There's no escape
D E
I lost everything, in losing you

Em D
Ah, and I wish you were here
Em Bm
Drying these tears I cry
D G
They were good times
Bm7
And I wish you were here
Am7
And calling my name
Am7 D Am
'Cause you're dealing with a man insane,
E
the cost
Am7 E
How hopelessly I'm lost
Am G
I tried to throw our love away
C G D
And I can't let go

D G
And so I awake
Em Bm7 Am7
In somebody else's dream (It's not what it
seems)

G
It's only a lie
Em Bm7
I have yet to decide who's real
E Am7 D
The blood red rose that never, never dies
G
It'll burn like a flame
Em
In the dark of the night
C
I'm not afraid
D
I'd give everything
E
If you hear me there

Em D
Ah, and I wish you were here
Em Bm
Drying these tears I cry
D G
They were good times
Bm7
It's that time of year
Am7
For being alone
Am7 D Am
'Cause you're dealing with a heart of stone
E Am7 E
Try to kiss and say goodbye
Am G
Try to throw our love away
C G D
And that storm will blow

D G
They were good times
Bm7
And I wish you were here
C D
Yes, I wish you were here
